3. Will have clear procedures for responding to suspicions or allegations about abuse, or inappropriate behaviours towards children and young people by any member of the church, and procedures for working with known offenders attending the church
4. Will ensure that both employed and volunteer children's and youth workers and all other persons working within the church who may have contact with children or young people through this work are properly and appropriately selected and appointed as set out in the Diocese of Chelmsford guidelines on the Criminal Records Bureau.

Where access to children is regular, expected or significant (i.e. a key part of their role even if they are not in regularly contact with children), the Diocesan policy and procedures will be strictly adhered to.

Child Protection – Definitions of Abuse

The PCC recognises the categories of abuse as defined in the Diocesan CPP, adheres to the process therein defined regarding people who pose a risk to children and follows the procedures for referral to the Team nominated person for child protection in the event of any allegation or suspicion of abuse.
