South Stour Churches Festival Autumn 2019

Please help us have a successful autumn festival this year by offering your vocal chords and musical talents to the following events:

FLASH MOB! Festival promotion: midday 26/9/19 Sudbury Market Hill

OPENING SERVICE – to mark the start of the festival at 7pm on 30/9/19 with a joyous musical celebration at St Andrew's Church Belchamp St Paul

CLOSING SERVICE – the festival finale at 7:30pm on 1/11/19 with extracts from Faure's Requiem and other short pieces, including a hymn written by one of our villager's grandfather!

For details of what choral skills are required ^{*see below} together with rehearsal dates, venues and programme of songs, please contact:

Celia Mathews, Belchamp St Paul

Or e-mail: celiarandall@delta-point.co.uk

**N.B. Flash Mob event will be a short programme of popular songs that can be learned 'by ear'. The two church services include hymns and classical choral pieces where the ability to read from a music score would be beneficial (not essential if familiar with the works).*
